

REAL WOOD BEAUTY ON A FIBERGLASS DOOR

Reeb® Finish PrismaGuard™ is a staining system for fiberglass doors that produces a uniquely durable finish with the natural look and variance of real wood.

Shown in Rustic Clay

Therma-Tru's cutting-edge finishing technology seamlessly blends the realism of wood with the durability of fiberglass. Reeb® Finish Artisans skillfully hand-brush each component of the door to enhance its deep embossments and authentic grain patterns. A dual top-coat highlights fine details and ensures superior endurance and protection from the elements. The competition simply cannot compare to PrismaGuard™.
