

Reeb® Finish is a division of Reeb that provides fiberglass doors and composite or solid wood frames with a factory finish. Reeb Finish Stain featuring PrismaGuard® produces a unique, durable finish. It merges the natural look and variance of real wood with the durability of fiberglass.

Once the stain is applied, Reeb Finish Artisans skillfully hand-brush each component of the door to enhance its deep embossments and authentic grain patterns.

A dual top coat is applied to highlight the fine details and ensures superior endurance and protection from the elements.

Once your door unit arrives, it is ready to be installed on your home.

All finishes on fiberglass doors and On-Guard™ composite frames feature a 10-year limited warranty. Most solid wood frames feature a one-year warranty while solid oak frames feature a 90-day warranty.

Reeb® Finish PrismaGuard® is available in the following 10 finishes:

WILDFLOWER HONEY

RUSTIC CLAY
